

## Landon's Legacy Foundation

June 20, 2020

Dear Friends,

Thank you for your past support of Landon's Legacy Foundation and the Golf Tournament. We are contacting you concerning our 7<sup>th</sup> Annual Golf Tournament. Our intention is to be sensitive to the economic climate concerning Covid-19 and the impact on local businesses. We have decided to move forward with the tournament and contact businesses that have so generously supported us in the past. If you are comfortable with supporting the golf tournament again this year with a sponsorship, we are very grateful. If a sponsorship this year brings concerns to you and your business, we truly understand and respect that. All we ask is that you would consider how you could participate and help Landon's Legacy move forward with our project of building Landon's Miracle League Baseball Field.

The 7th annual Landon's Legacy golf tournament is scheduled for July 24<sup>th</sup> at 9:00 AM with an 8:00 AM check-in. We really don't know what to expect this year for participation but hope for the best. The tournament will be held again at the Pryor Creek Golf Course.

The enclosed sponsorship guide will outline sponsorship options if you choose to sponsor again this year. Your sponsorship includes signage at our tournament and recognition of your support. We also have Flag sponsorships available for \$750, this sponsorship gives you your name and logo on the actual flag of a hole on the course. After the tournament you keep the flag for a lasting memory of the day. If these cash sponsorships aren't something you want to do, you can help by donating a flag prize for the tournament. Whatever you decide concerning sponsorships we hope you would consider sponsoring a team or putting a team together and enjoy a fun day of golf with us. We consider our golfers friends and really appreciate spending an enjoyable day together.

We truly appreciate any support you can provide. Please go to our Facebook page Landon's Legacy Foundation, our website [www.landonslegacy.com](http://www.landonslegacy.com) to find out more about the 7<sup>th</sup> Annual Golf Tournament and our project.

Thank you in advance for helping to build Landon's Miracle League Baseball Field and for making our community an even better place to live!

Sincerely,

The Golf Committee

Greg Kemmis            671-3590
